why we must

# The O List

OF SPRING

---

A few things  
we think are  
just great!

---

#### A Pressing Need

Fruits and veggies have never had it so good, thanks to this cold-press juicer, which mimics hand-squeezing (rather than shredding), thus preserving nutrition *and* inspiring Bellini brunches. We'll juice to that! (**Hurom HP personal slow juicer, \$299; hurom.com**)

Tune in to ABC's  
*The View* to see  
O creative director  
Adam Glassman  
reveal special  
savings from  
The O List on  
"View Your Deal."

### The Brush Off

There's no magic wand to erase cellulite, but these body brushes just might help reduce the appearance of those loathsome lumps. And the foot brushes, with coarse coconut husk bristles, make for massage heaven. **(Originally \$14 to \$28 each, now 20 percent off with code OPRAH; merben.com)**

### Raising the Bar

Tony's Chocolonely is committed to eliminating exploitative labor practices from chocolate farms—and we're committed to savoring their coffee crunch and pecan coconut flavors. **(Six-ounce bars, originally \$5.50 each, now 20 percent off with code OPRAH; uswebshop.tonyschocolonely.com)**

### You Are My Sunshine

Eat your heart out, Morton Salt Girl! This happy yellow slicker, cleverly updated with a seaworthy striped lining, means rainy days don't always have to get you down. **(Classic hooded raincoat in sunray, \$159; talbots.com)**

### Oral Fixation

Linda Rodin's Olio Lusso skincare is known for its incredible luminizing power. Now Rodin has incorporated her signature blend of oils into these luxuriously creamy lipsticks in five super-pigmented shades. Pucker up! **(Rodin Olio Lusso Luxury Lipsticks, \$38 each; oliolusso.com)**

### Dig Deep

Is your ice cream playing hard to get? These mighty metallic scoops, designed by an aerospace engineer, plow through your favorite rock-hard treat with a little help from the pointed tip and the ergonomic handle. **(Originally \$35 each, now 20 percent off with code OPRAH; midnightscope.com)**

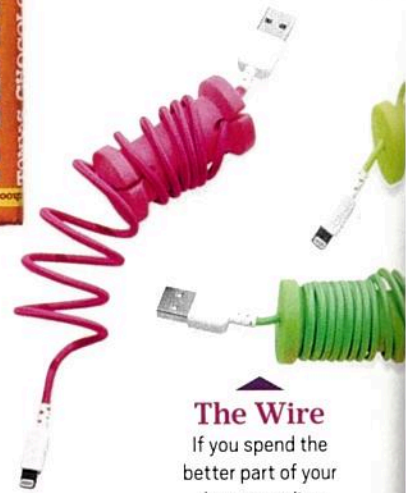

### Walk on the Wild Side

Cool color and cushy comfort. No wonder Gayle King made a beeline for these kaleidoscope canvas slip-ons from Vera Bradley's debut footwear collection. **(Originally \$68, now 20 percent off with code OPRAH; verabradley.com)**

### The Wire

If you spend the better part of your day untangling charging cords, treat yourself to one of these snarl-defying rubber spools with a bendable cable. **(Philo spool cables, \$30 each; target.com)**

## The Frugal Gourmet

Calling all bargain hunters: Not only is this 18-piece set of stoneware dishes a bright addition to your spring table, but it's also microwave- and dishwasher-safe. (**Färgrik dinnerware set in turquoise, \$25; ikea-usa.com**)

## Friend Request

A grown-up take on the friendship bracelet, these Swarovski crystal pieces are adjustable and can be worn alone or stacked. (**Gently bangles, \$99 each; swarovski.com**)

## A Tisket, a Tasket

You can stop airing your dirty laundry with these handwoven palm hampers, which double as the perfect "Quick, throw everything in here!" baskets when company drops by. (**Mini hampers with lid, originally \$80 to \$125 each, now 20 percent off with code OPRAH; makaua.com**)

## Best Case Scenario

It's great when things just click: Take this magnetized phone case that sticks to a magnetized wall charger or—you guessed it—a magnetized battery pack. (**360° Stacked Speed Case set, \$100; powerbystacked.com**)

## Roll with It

How do we love this trolley? Let us count the ways: It's light and bright, holds up to 88 pounds, has inner and outer pockets, can be used for groceries or laundry, and folds up flat. (**1-Max MF Logic RG and Tour foldable trolleys, originally \$127 to \$143 each, now 20 percent off with code OPRAH; rolser.com/online**)

## Dairy Queen

At the ripe old age of 17, Grace Connor owns and operates a small-batch ice cream company, with 12 flavors and mix-ins made from scratch and inspired by classic desserts (think coffee and doughnuts). (**\$87.50 for six pints and shipping with code OPRAH; littlegicecreamco.com**)

## Fit to Be Tied

Crab & Cleek (known for its iconic canvas totes) has teamed with Collared Greens (known for its terrific menswear) to create a new twist on the tunic, complete with an appliquéd bow tie that will delight your inner prep. (**Originally \$150 each, now 20 percent off with code OPRAH; crabandcleek.com**)

## Heat Fave

Oprah's been known to go to restaurants with her own bottle of hot sauce. These all-natural artisanal options, with fiery flavors like kiwi jalapeño and mango fatali, should be her new dining companion. (**Originally \$6 each, now 20 percent off with code OPRAH; horseshoebrand.com**)
